SUBJECT D'Aubisson and the CIA

JACK ANDERSON: Is Roberto D'Aubisson on the CIA's payroll?

Now D'Aubisson has lost the election in El Salvador. He was the right-wing candidate. He allegedly is affiliated with the right-wing death squads.

The House Intelligence Committee was ordered to investigate charges that he was also on the CIA's payroll, but the Committee side-stepped the issue. It reported back only that the CIA has had no part in death squad activities.

But I predict some members of the House will demand an answer to the questions they ask. Was D'Aubisson paid by the CIA? And you can expect some fireworks on this one.
